

## ACCUPLACER Tests

### Who needs to take the test?

As a condition to register for the English and Math Foundation courses at Qatar University (QU), all newly applied students to the QU, are required to take this mandatory placement test if they do not have the minimum required competency scores in math and English. Both English and Math APL tests can only be taken once per semester.

### Test Exemption Rules:

English Tests	Full Exemption
IELTS	≥ 5.5
TOEFL iBT	≥ 61
TOEFL paper-based	≥ 500

Math Tests	Elementary Algebra	Pre-Calculus Course	Full Exemption
ACT*	0 - 20	21 – 23	≥ 24
SAT (Old)**	0 - 499	500 – 549	≥ 550
SAT (New)**	0 - 529	530 - 569	≥ 570

\* Math component only; \*\* General SAT Math

**Students must submit these test scores (original certificates) to QUTC before the deadline in order to get exemption from the Foundation English and math courses.**

Please visit the [QUTC website](#) for full details and exemption rules.

**By cash** to the QU Cashier (Men's Activity Building (B02) & Women's Activity Building (C05), ground floors).

**Note:** open from 8 - 12 noon

### Important Information:

One of the most important Foundation Program requirements is the ACCUPLACER exam. The ACCUPLACER exam will measure your English and math abilities. If you score high enough, you may not need to take the Foundation Program English or math courses. Please do your best on the exam and take it very seriously. It will have an impact on the amount of time you will study at QU.
