The screenshot shows a web browser window with the title bar "Convert Select". The page header features the Qatar University logo and name in Arabic and English. Below the header is a row of small profile pictures. The main content area is a light blue login form. On the left side of the form is a vertical strip of three images: a person at a computer, a group of people, and a building. The login form contains the following elements:

- *User Name: A text input field with a red circle around it and a red arrow pointing to the callout box. Below the field is the example text "(example: michael.james.smith)".
- *Password: A text input field with a red arrow pointing to the callout box. Below the field is the example text "(example: 4u99vz3)".
- Login: A button.
- Cancel: A button.
- Login Assistance: A link.
- Accessibility: A dropdown menu set to "None".
- Select a Language: A section with "العربية" and "English" (highlighted in blue).

A yellow callout box with a black border contains the text: "Please login with your Oracle Applications user account or if you are accessing it from QU Web Portal so the portal will automatically navigate you to logged-in screen." A red dotted line starts from the callout box, passes through a blue circle with the number "1", and ends at a green circle with the number "2" which is a mouse cursor icon.

At the bottom of the page, there is a blue footer bar with "Privacy Statement" on the left and "Copyright (c) 2014, Qatar University. All rights reserved." on the right.

The screenshot shows a web application interface for book requisition. On the left, there is a form titled 'Book Requisition' with fields for 'Full Name' (Mrs. Asia Khid Mohamed Ahr Abdalla), 'Academic Year' (2014), and a table for 'Book Requisition Line'. The table has columns for 'Select Requisition No.', 'Requisition Date', and 'User'. The 'User' column shows 'Adnan Saleem A Rehman Sale'. Below the table, there are buttons for 'Add New Row', 'Save', and 'Copy'.

In the center, a search window titled 'Search and Select List of Values - Windows Internet Explorer' is open. It shows a search interface with a 'Search By' dropdown set to 'Title' and a 'Go' button. A yellow callout box with the text 'Click Here' points to the 'Go' button. Below the search bar, there is a table of results with columns: 'Select', 'Quick Select', 'Subject', 'Course No', 'Lecture Type', 'Title', 'Std Female', and 'Std Male'. The table lists several courses, including 'Polymer Engineering', 'Calculus I', 'Software Engineering', 'Classical Arabic Criticism', 'Gen Econ Geography', 'Mod Arabic Poetry', 'Failure Analysis', 'Information Centers', 'Biology I', and 'Geotechnical Engineering'.

On the right, there is a table with columns 'Year', 'Approval Comment', and 'BookType'. The table shows four rows of data for the year 2014, all with 'BKS' as the book type. Below this table, there is another table with columns: 'Course Subject', 'Course No.', 'Std Male', 'Std Female', 'Qty Inst.', 'Qty Male', 'Qty Female', and 'Pi'. This table is currently empty.

At the bottom of the page, there is a footer with 'Privacy Statement', 'Home Logout Preferences', and 'Copyright (c) 2014, Qatar University. All rights reserved.'

The screenshot displays a web-based application for managing book requisitions. At the top, there's a header bar with navigation links like 'Navigator', 'Favorites', 'Home', 'Logout', and 'Preferences'. Below this, user information is shown: Name 'Mrs. Asia Khidir Mohamed Ahmed Abdalla' and Supervisor 'Mr. Shamshed Ibne Ahmed'. The academic year is set to '2014-2015', and dates are '03-Jul-2014' to '03-Jul-2015'. A button labeled 'Submit to approver' is present. The main section contains a table of requisitions with columns for date, description, approval status, authorization status, year, comments, book type, and a remove button. One row shows a requisition for 'English Book - UAT' which is approved. Below this is another table titled 'New Row Save Copy Row' showing details for a specific requisition (BKS000001960) for 'COMPUTER SYSTEMS ARCHITECTURE II'. This table includes fields for location, book number, title, semester, course title, subject, course number, standard male/female counts, quantity installed/male/female, unit price, and a remove button. A red arrow points from a yellow callout box saying 'Double Click Here' to the 'Qty Inst.' field in the second table. Another red arrow points from the 'Qty Inst.' field in the second table to the 'Remove' button in the first table. At the bottom, there's a footer with 'Home Logout Preferences' and 'Copyright (c) 2014, Qatar University. All rights reserved.'.

Slide 35

The screenshot shows a web application interface for book requisition. On the left, there is a 'Book Requisition' form with fields for 'Full Name' (Mrs. Asia Khid Mohamed Abdalla), 'Academic Year' (2014), and a table of requisition lines. The table has columns for 'Requisition No.', 'Requisition Date', and 'User'. The 'Book Requisition Header' section includes buttons for 'Add New Requisition' and 'Submit to approver'. The 'Book Requisition Line' section includes buttons for 'Add New Row', 'Save', and 'Copy'.

In the center, a 'Search and Select List of Values - Windows Internet Explorer' window is open. It shows a search results table with columns: 'Select', 'Quick Select', 'BookNo', 'Author1', 'Publisher', 'Edition Type', 'Book', 'BookTitle', 'ISBN', and 'Qty'. A yellow callout box with the text 'Click Here' points to the 'Go' button in the search results window.

On the right, there is a 'Book Requisition' form with fields for 'End Date' (03-Jul-2015) and a table of requisition lines. The table has columns for 'Year', 'Approval Comment', and 'BookType'. The 'Book Requisition Header' section includes buttons for 'Add New Requisition' and 'Submit to approver'. The 'Book Requisition Line' section includes buttons for 'Add New Row', 'Save', and 'Copy'.

The bottom of the page shows a 'Privacy Statement' link and a 'Copyright (c) 2014, Qatar University. All rights reserved.' notice.

The screenshot displays a web application interface for book requisition. On the left, a sidebar contains navigation links like 'Book Requisition' and 'Book creation'. The main content area shows a form for requisition details, including 'Full Name' (Mrs. Asia Khid Mohamed Ahr Abdalla) and 'Academic Year' (2014). A search window is overlaid in the center, titled 'Search and Select List of Values - Windows Internet Explorer'. This window has a search bar with a dropdown menu set to 'Title' and a 'Go' button circled in red. A yellow callout box with the text 'Click Here' points to this button. The search window also displays a table of results with columns: 'Select', 'Quick Select', 'Subject', 'Course Type', 'Title', 'Std Female', and 'Std Male'. The results table shows 'No search conducted.' On the right side of the main application, there is a table with columns 'Year', 'Approval Comment', and 'BookType', showing requisition records for the year 2014. At the bottom, a footer contains a 'Privacy Statement' link and copyright information for Qatar University, 2014.
