

## **SESSION III** 11:45 - 12:45

### **HALLMARKS OF QU-INDUSTRY COLLABORATION – CURRENT AND FUTURE**

The theme of this session is to review and highlight successful stories of collaboration between QU and the industry. To discuss collaboration mechanisms and ways to improve them for better future mutual work.

Each panelist gives a 3 - 5 min (15 min) opening statement followed by 35 min panel discussion. The focus will be on key collaborations between each of Centers/Colleges and industry(ies), highlighting their outcomes/benefits to QU and the country.

**MODERATOR:** Dr. Mohamed Ahmedna, Associate Dean for Research & Graduate Studies, CAS
