The Community Service and Continuing Education Center at Qatar University (QU) launched the second training forum under the title "Charitable Work Strategy in Qatar: Transition Towards the Future" in collaboration with the Regulatory Authority for Charitable Activities, the Ministry of Foreign Affairs, the National Planning Council, Hamad Bin Khalifa University (HBKU), and the United Nations Development Program (UNDP).

The forum aims to raise awareness and enhance the capacities and readiness of charitable, humanitarian, and developmental organizations to meet the requirements of activating the charity work strategy in Qatar and to empower non-profit organizations in Qatar to achieve institutional excellence. The forum serves as a compass to guide and enhance the capabilities of the charity sector in designing and implementing strategic initiatives and promoting sustainable approaches.
