QU mobile Overview

QU mobile is the official app of Qatar University. This application is a part of an ongoing project that was initiated to enhance the experience of Qatar University members and visitors interacting with various services and resources at Qatar University.

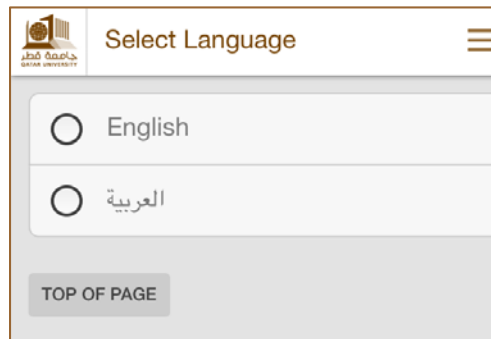

Current features include (not limited to):

- Common services: Maps, directory, news, events, virtual tours, dining menus and social media.
- Registration and records services: view their registered courses, holds, fees and view final grades.
- Classes and Courses services: view courses, announcements, course contents and others.

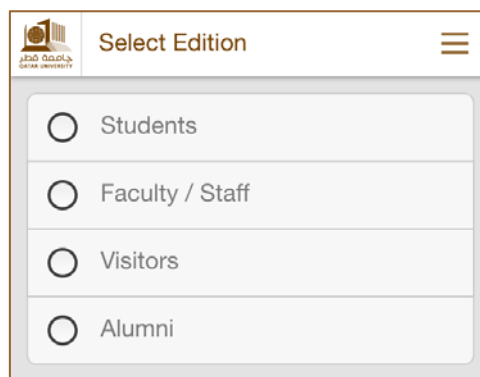

First Time User

As a first time user you need to select your preferred language and your user type.

Language Selection

The screenshot shows a mobile app interface for language selection. At the top, there is a header bar with the Qatar University logo on the left, the text "Select Language" in the center, and a hamburger menu icon on the right. Below the header, there are two radio button options: "English" and "العربية". At the bottom of the screen, there is a button labeled "TOP OF PAGE".

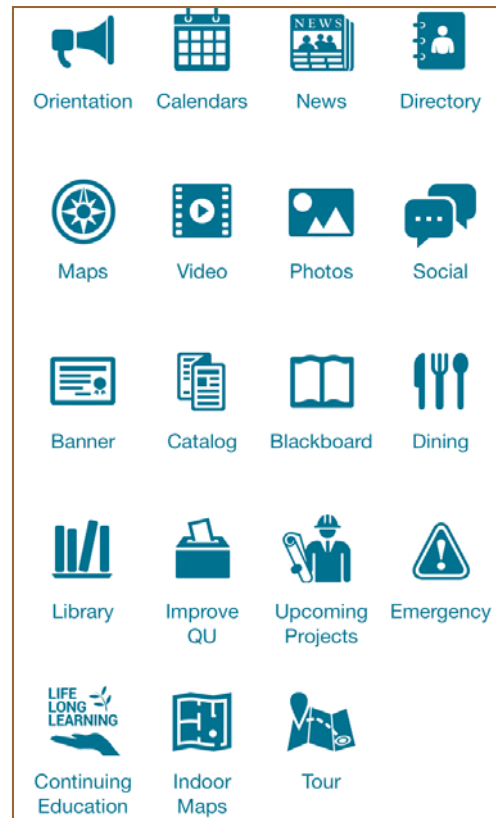

Edition Selection

The screenshot shows a mobile app interface for edition selection. At the top, there is a header bar with the Qatar University logo on the left, the text "Select Edition" in the center, and a hamburger menu icon on the right. Below the header, there are four radio button options: "Students", "Faculty / Staff", "Visitors", and "Alumni".

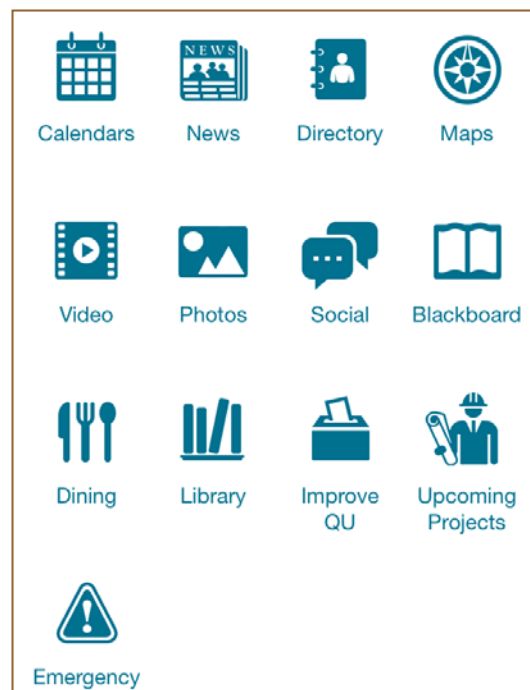

Users Types

Based on your selected edition, features are customized. Below are the features included for each edition.

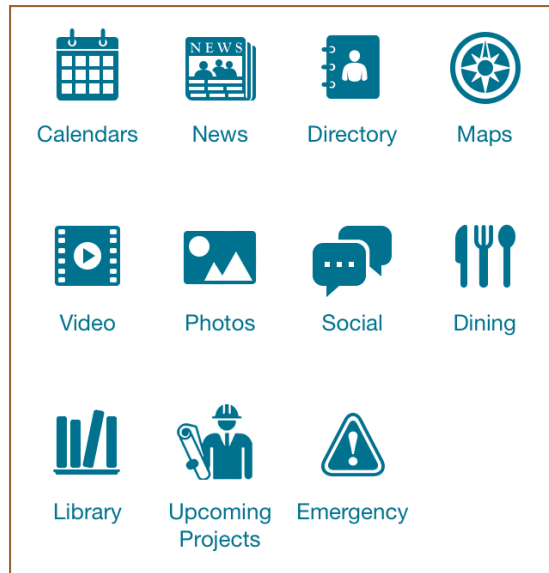

Students

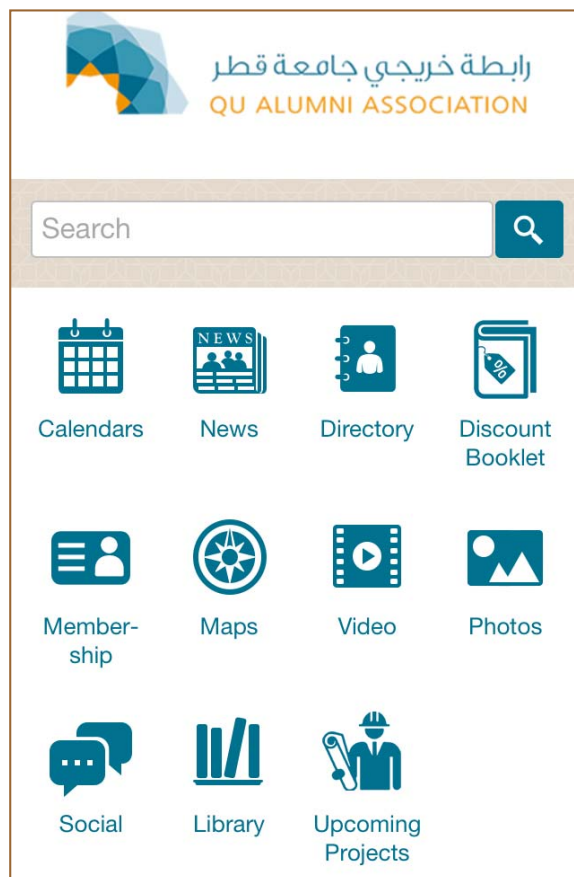

Faculty/Staff

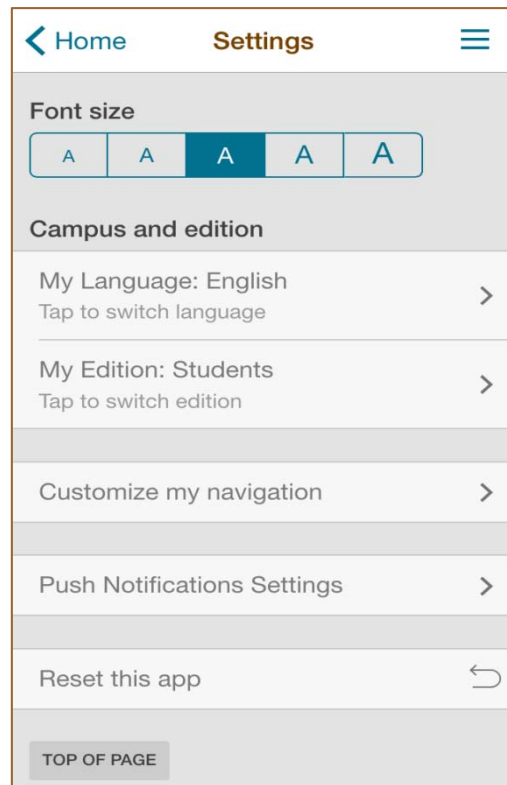

Visitors

Alumni

Settings

Font size

You can adjust the displayed font size

[Go to settings >> Font size](#)

Switch Language/Edition

Currently two languages are provided (English and Arabic).

[Go to settings >> Language and edition >> My Language: *Your preferred language*](#)

To switch your current edition

[Go to settings >> Language and edition >> My Edition: *Current Edition*](#)

Customize My Navigation

If you would like to access your preferred module directly, you may like to place it separately from the rest of the modules. By customizing your navigation, your favorite modules will be placed at the top of the app page.

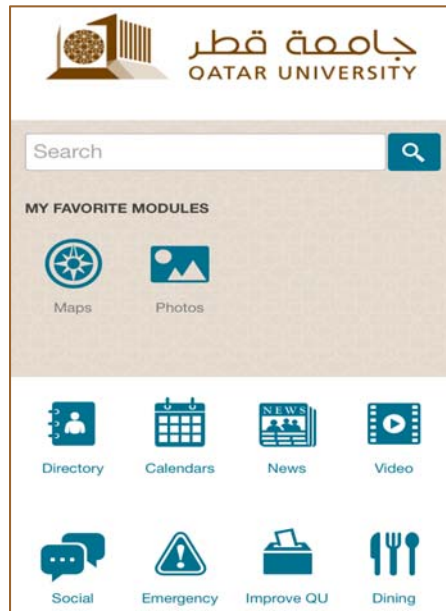

To customize your navigation

Go to Settings >> Customize my navigation

The following page will be displayed.

You can add your favorite module by tapping on the + sign. Suppose you selected **Calendars** and **Maps** as our favorite module, now your main page will look like:

Push Notifications Settings

Notifications will be sent to selected groups. As a student, you may wish to receive notifications in English only, in this case you deselect “طلاب” in Arabic.

Settings	Push Notifications	
Receive group notifications for:

User signed in via Qatar University	Tap to sign in for personal notifications	🔑
User signed in via Blackboard Test	Tap to sign in for personal notifications	🔑

Reset App

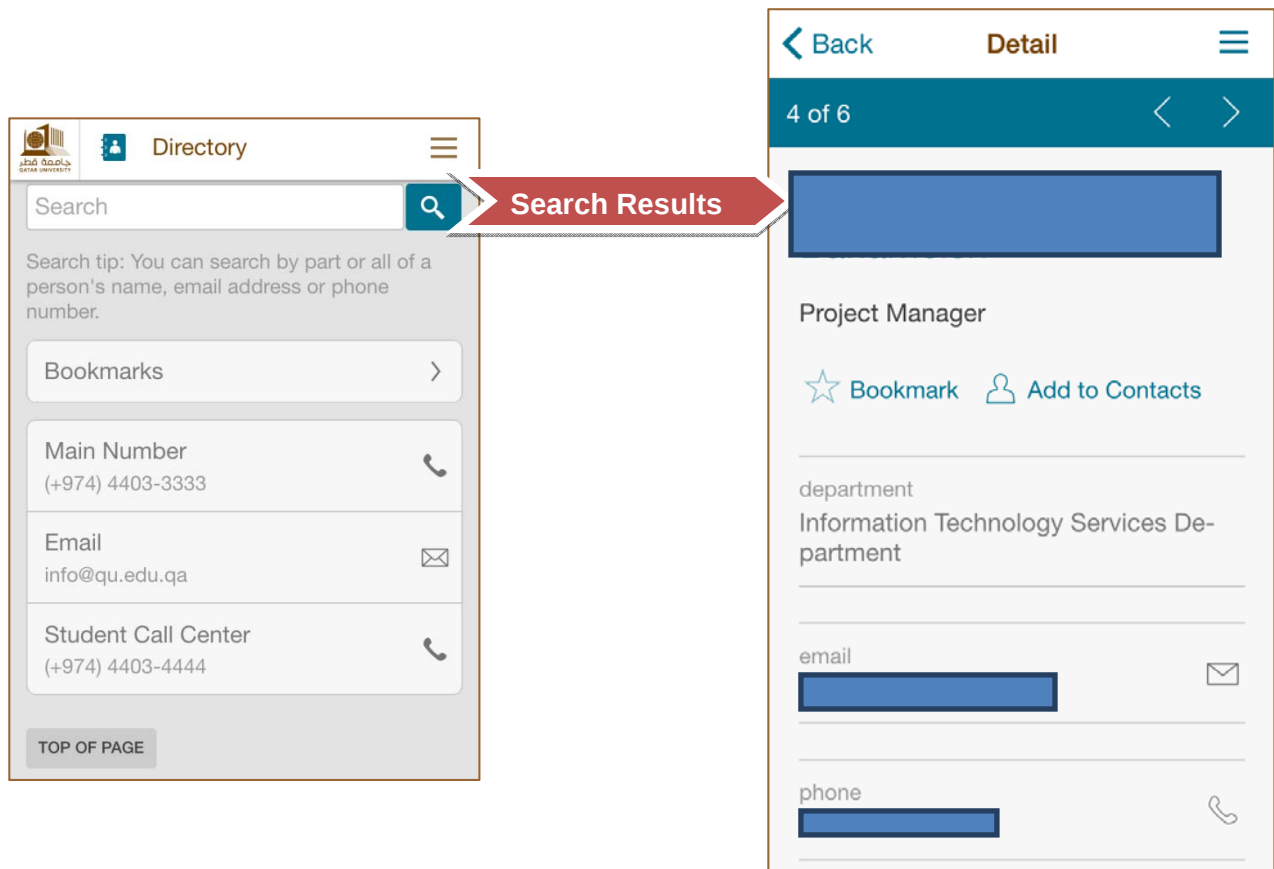

Reset App will return the application to its default settings.

App Modules

2

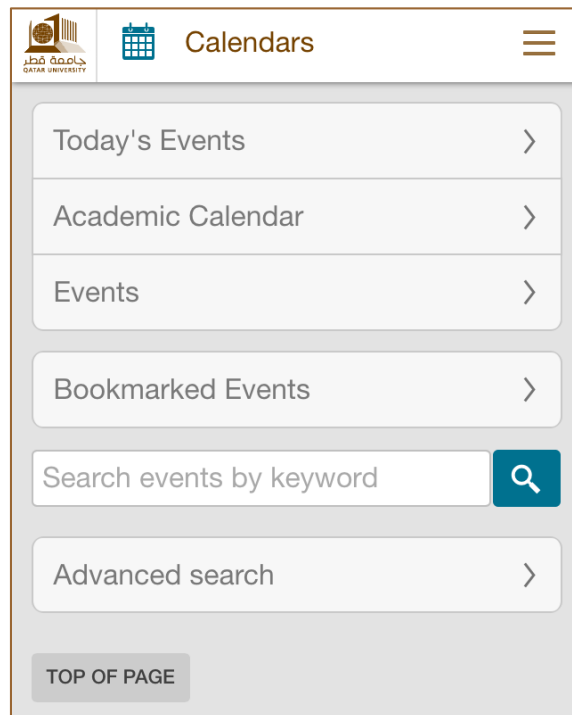

Directory

The directory allows you to search contact information of Faculty and staff members. In addition it provides QU main contact number, e-mail and the students call center contact number. You can call directly by clicking on the phone number, and send an email to the person. Also you can add the contact to your device or save the contact as bookmark.

Calendars

Using Calendars allows you to check and search events held at campus and check dates on the academic calendar.

Today's Events

Shows scheduled event of today's date.

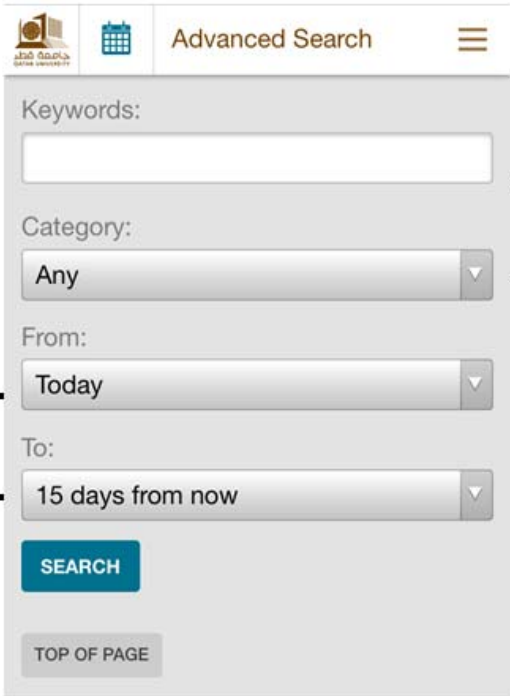

Academic Calendar

Provides details on staff working days, student semester begin and end dates, holidays, and other important dates.

Events

Provides a list of the current year events.

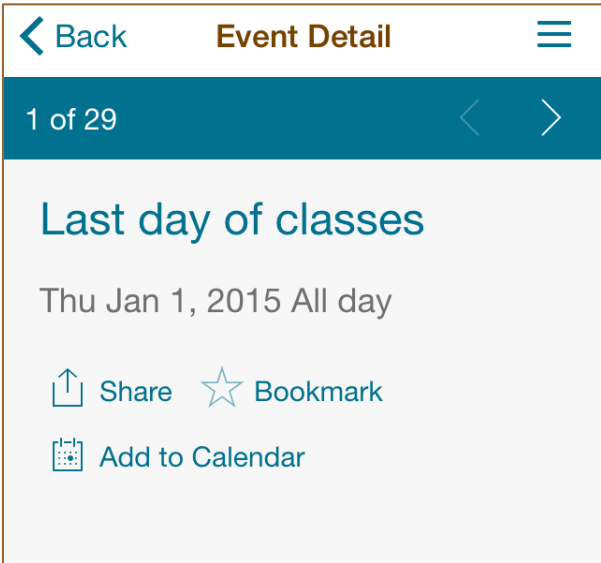

Advanced search

The Advanced Search interface includes the following fields and annotations:

- Keywords:** A text input field with the annotation: "You can search by title, date or day".
- Category:** A dropdown menu currently set to "Any" with the annotation: "Any, events or Academic calendar".
- From:** A dropdown menu currently set to "Today" with the annotation: "Search from today up to 30 days ahead".
- To:** A dropdown menu currently set to "15 days from now" with the annotation: "Search from today up to 30 days back".
- SEARCH** button.
- TOP OF PAGE** button.

In addition to the above features you can share, bookmark and add to your calendar any calendar date or event. See below.

The Event Detail interface displays the following information:

- Navigation:** A "Back" button and a menu icon.
- Page Indicator:** "1 of 29" with left and right navigation arrows.
- Event Title:** "Last day of classes".
- Event Date/Time:** "Thu Jan 1, 2015 All day".
- Actions:** "Share" (with an upward arrow icon), "Bookmark" (with a star icon), and "Add to Calendar" (with a calendar icon).

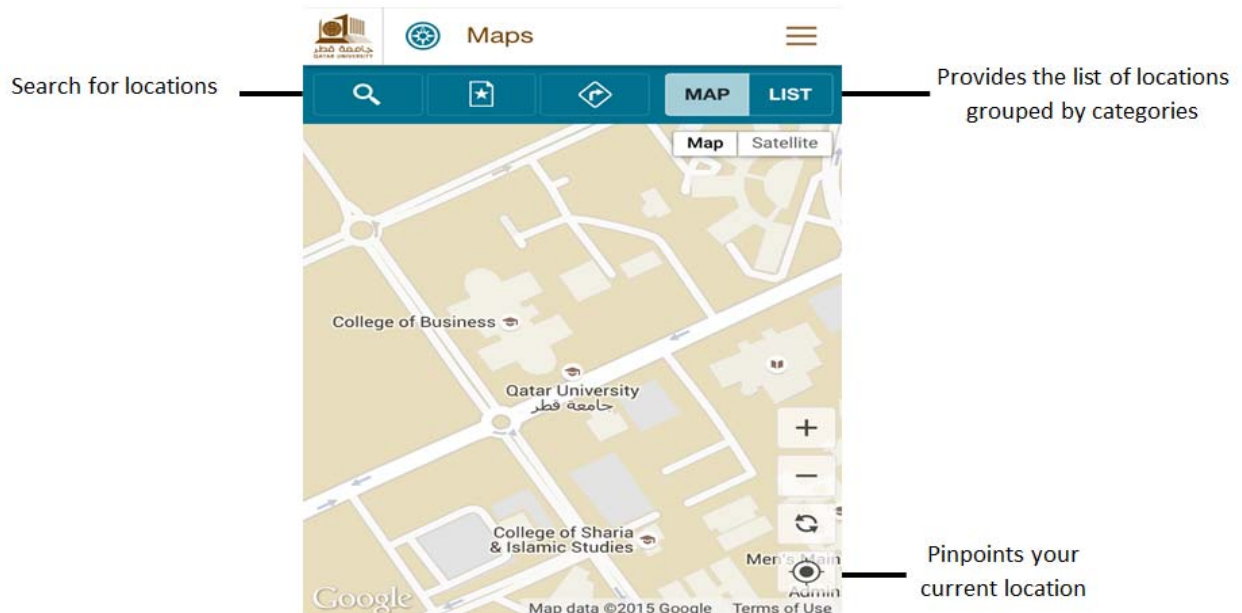

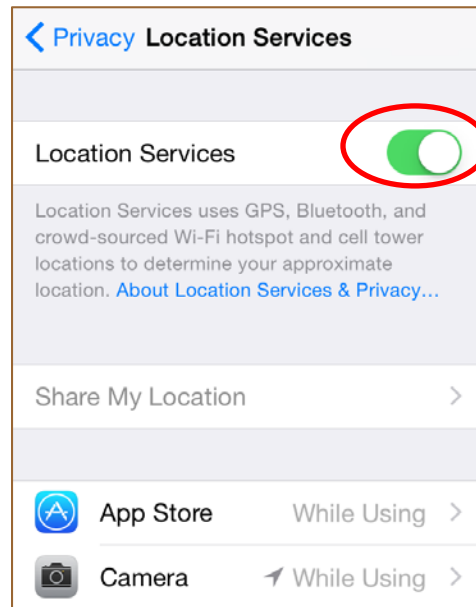

Maps

Maps allows you to search locations, pinpoints your location and more.

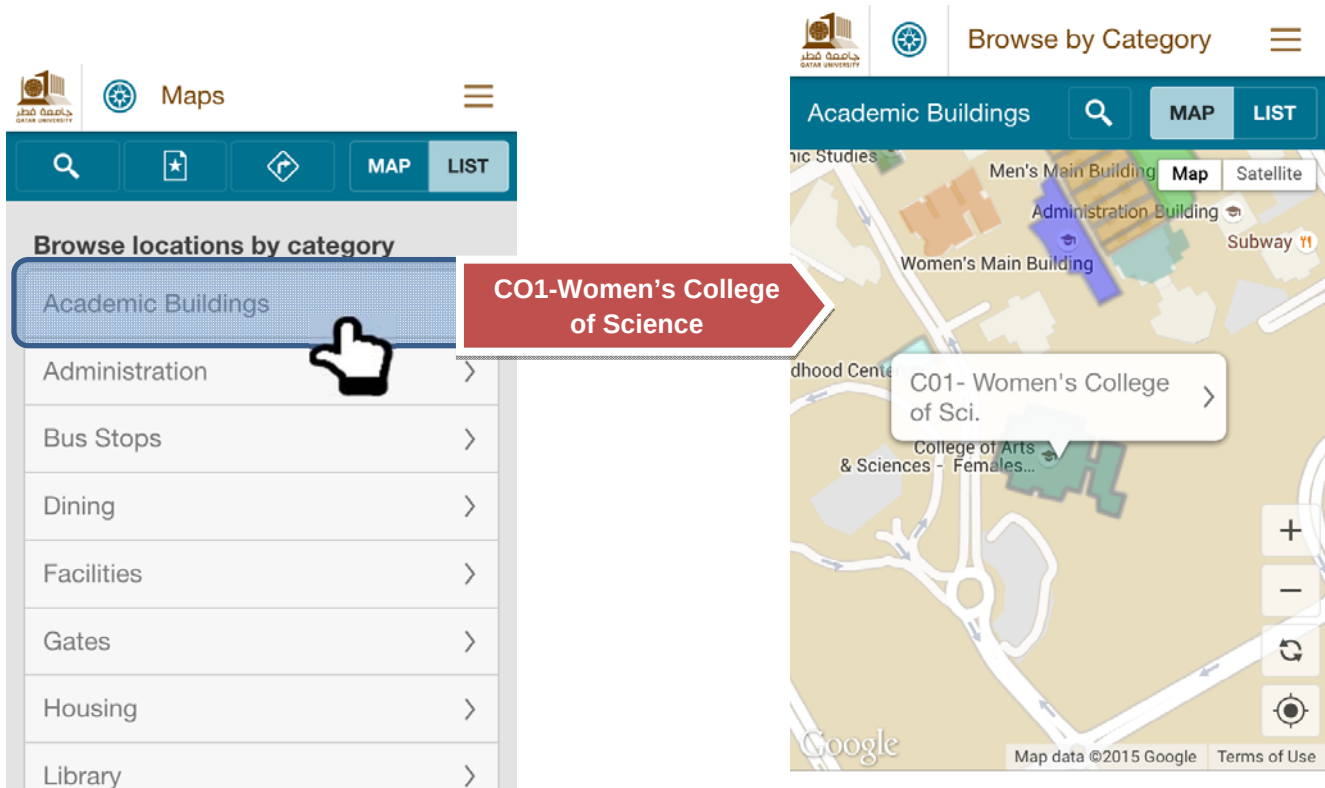

To get full benefit from Maps module, you need to turn on location services on your device.

To turn on location services:

Settings > Privacy > Location Services

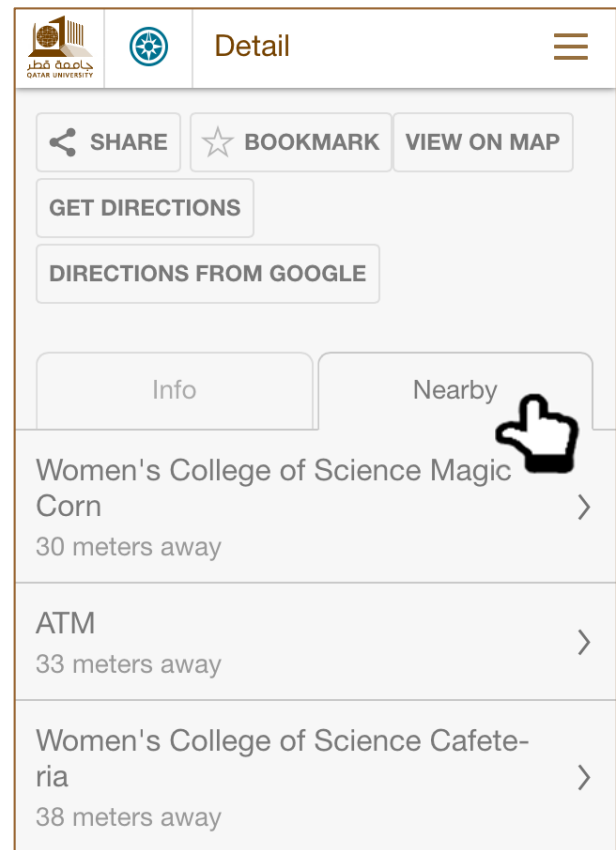

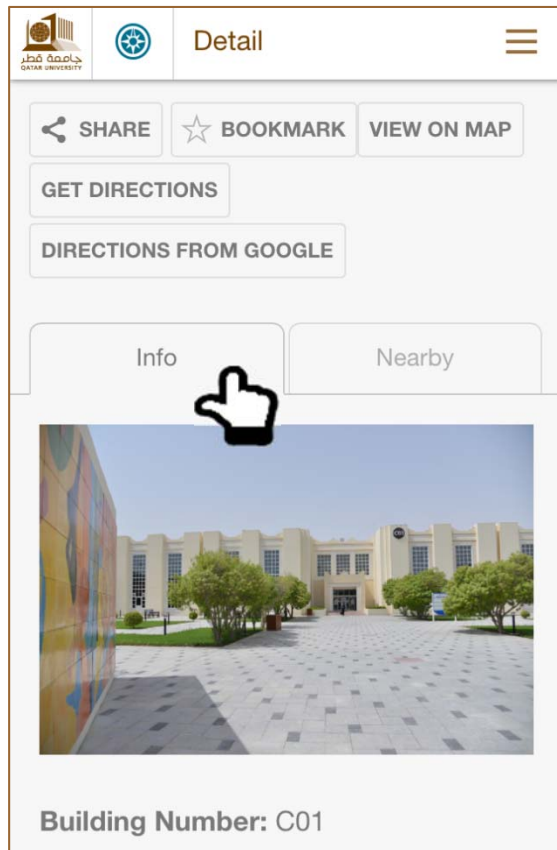

If you want to locate the Women's College of Science on the Map, you may select list>>Academic Buildings>>CO1-Women's College of Science. Alternatively you can use the search icon 

So now by clicking on the bubble that includes the name of the building, a few more information will be displayed:

C01- Women's College
of Sci

- **Photo of the building**
- **Building no.**
- **Nearby facilities (dining areas, ATMs, ..etc)**

TOP OF PAGE

You can choose your current location, search for locations or browse locations by categories

You can choose your current location, search for locations or browse locations by categories

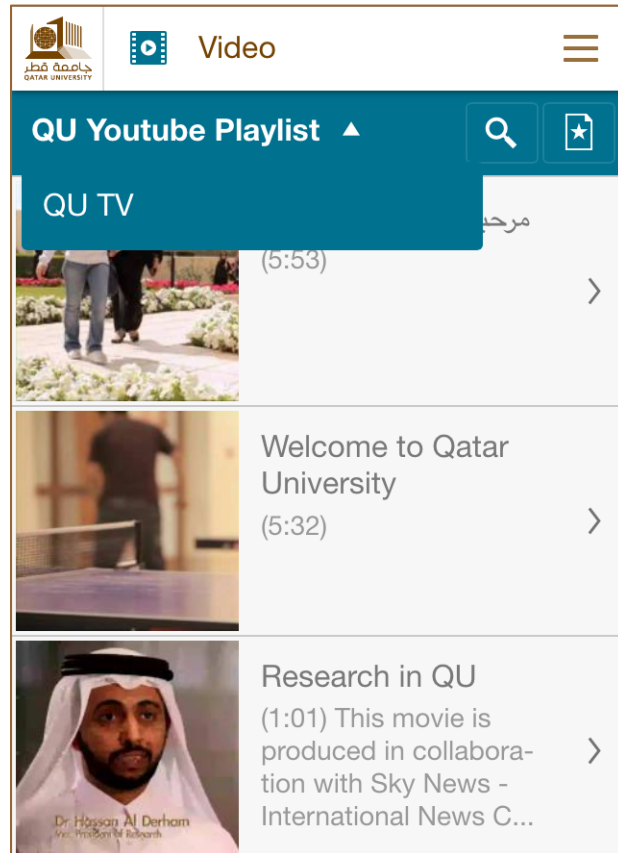

You can search university related news through QU mobile.

Video

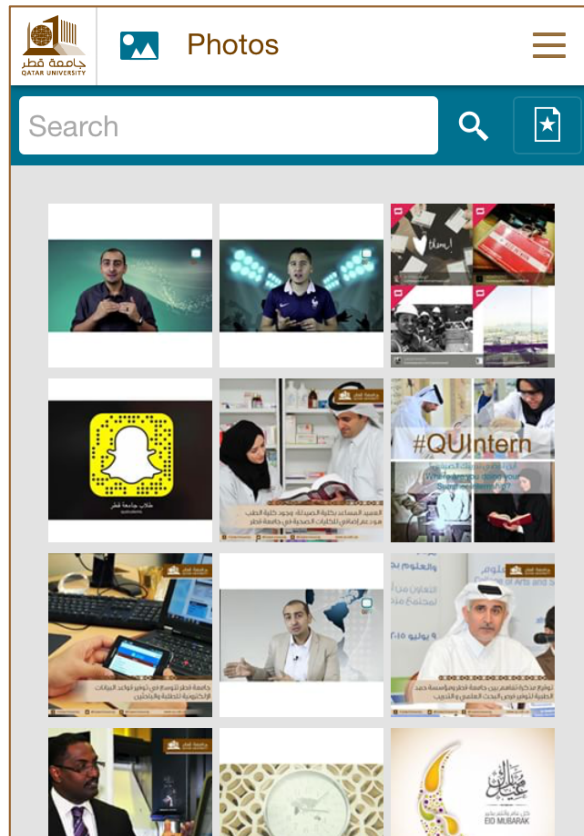

You can view and search Qatar University videos through QU mobile. It worth mentioning that this is connected to YouTube and that you can view videos on QU TV as well.

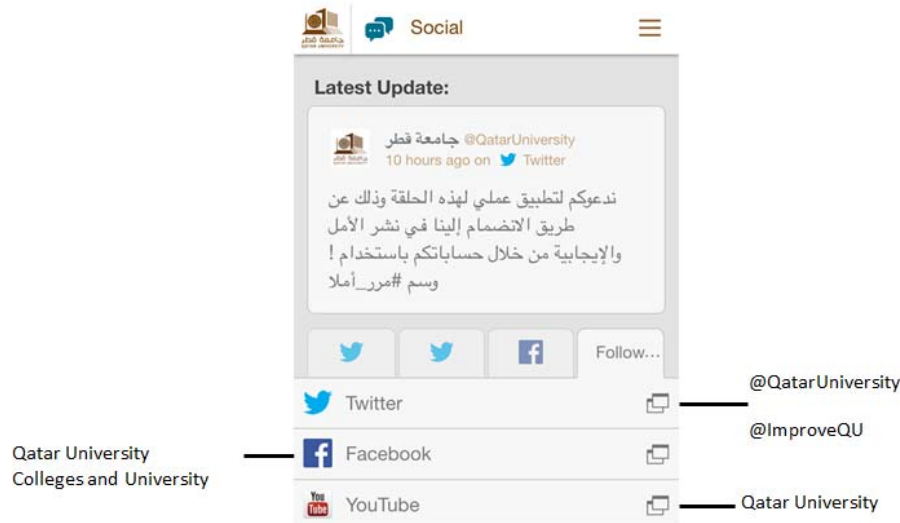

Photos

You can view and search Qatar University photos (events, ceremonies, accomplishments and more) through QU mobile. We note that Photos are linked to Instagram.

You may join QU Facebook account, follow QU twitter accounts or subscribe to QU channel. You will in addition have the ability to view the latest updates from the different social media accounts.

Once you open Social Module you will directly receive university related tweets (tweets are the primary service).

Banner (Students Only)

This is a feature assigned to students only. Banner is the official tool that is used by Qatar University students to add/drop courses, view their accounts balances, view their grades and transcripts and more.

In order to use this feature, a student has to log in with his/her QU username/password.

The diagram illustrates the process of logging into the Banner system. On the left, a screenshot of the Banner interface shows a 'Sign in to Qatar University' button with a hand cursor pointing to it. A red arrow points from this button to a larger, detailed view of the sign-in form on the right.

Sign in Form Details:

- Header:** Includes the Qatar University logo, a 'Sign in' link, and a menu icon.
- Text:** 'Please sign in.'
- Fields:**
 - User ID ***: A text input field.
 - Password ***: A password input field.
- Buttons:** 'CANCEL' and 'SIGN IN' buttons.
- Footer:** Includes a 'TOP OF PAGE' link and copyright information: '© 2015 Qatar University Powered by Kurogo'.

Once you are logged in, the following page can be viewed.

The screenshot displays the 'Classes' section of the Banner Self Service interface. It features two main categories: 'Classes' and 'Registration'. The 'Classes' category includes 'My Classes' and 'Weekly Schedule'. The 'My Classes' item is highlighted with a red box and contains the text 'Fall 2015: 9 registered'. An annotation points to this text, stating: 'Total number of registered courses within the current semester is available'. The 'Registration' category includes 'Fall 2015', 'Spring 2015', and 'Fall 2012', each with the note 'Cart is empty.' and a right-pointing arrow. An annotation points to these three items, stating: 'Semesters open for registration are available here'. Below the 'Registration' section are links for 'Holds', 'Grades', 'Academic Record', and 'Account Balances', each with a right-pointing arrow.

Spring 2015 Cart is empty.	>
Fall 2012 Cart is empty.	>

Adding Classes

Let us refer to semester Fall 2015. Student has 9 courses registered in Fall 2015. Let us add a new course.

There are (3) options to add courses in to your cart. This will be clarified in the below section.

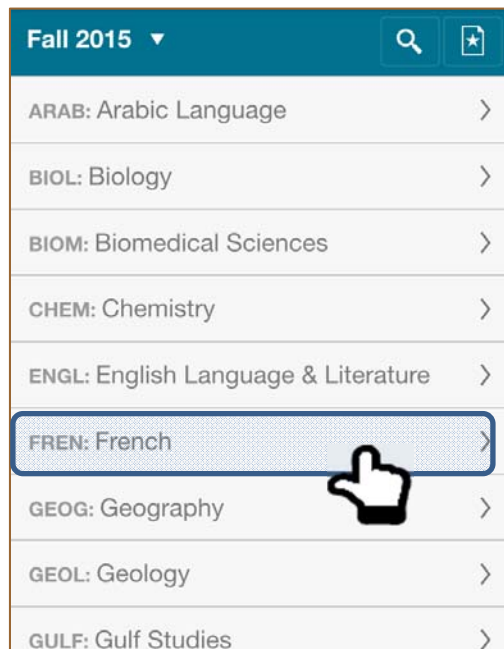

Option (1)

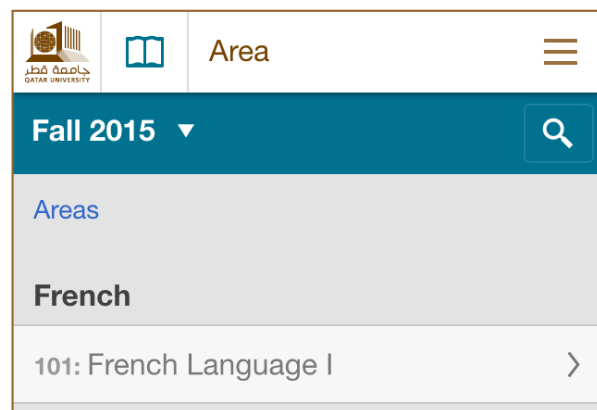

Option (2)

Option (1): Add via 'Course Catalog'

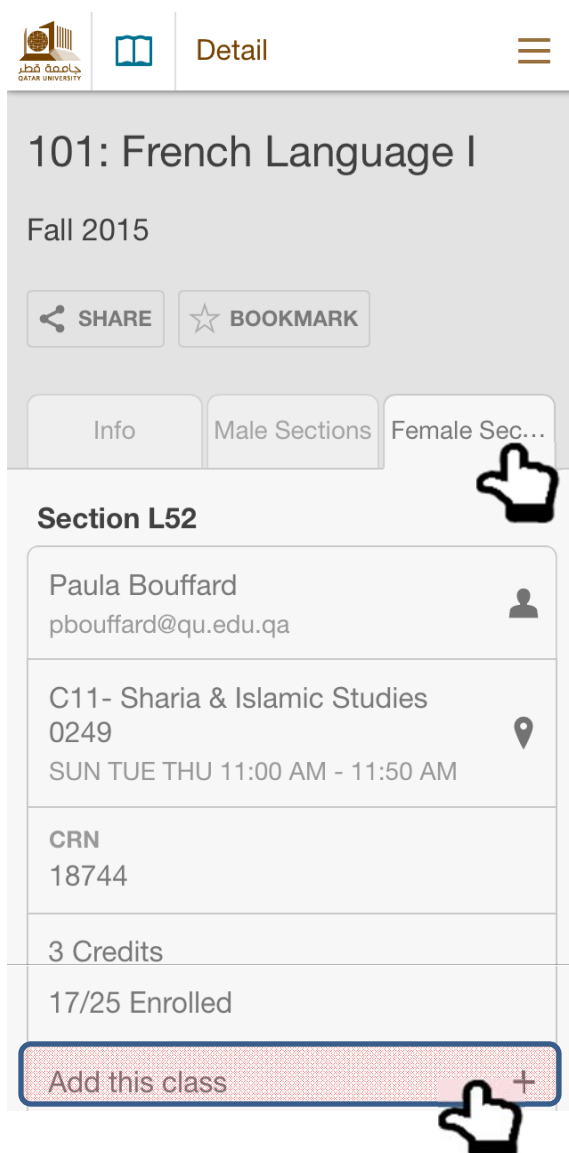

You can browse courses as below. Let us Select **FREN: French**

One course is available in French Area.
(French Language I)

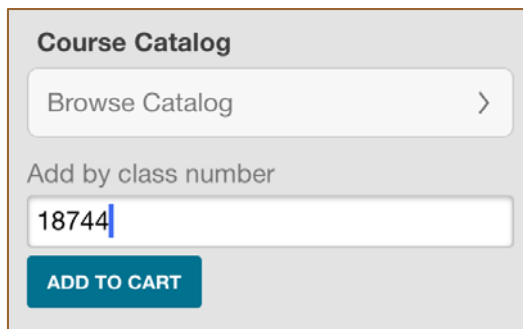

Once we click on '101: French Language I', you will have the required details. You can view the classes either in Male or Female sections. Let us select 'Female Sections'. One section is available under Female Sections (L52). At the end of the page we find 'Add this class'

Option (2): Add by class number

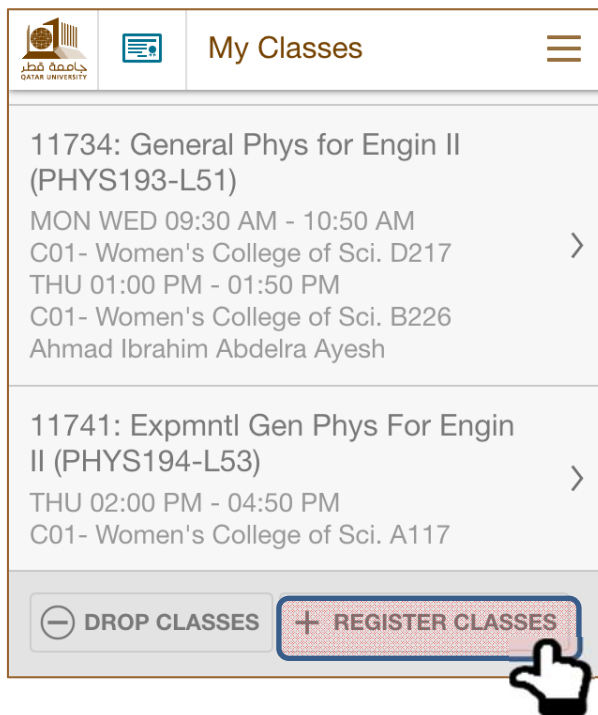

For this option, you have to have the CRN for the required sections. Below we added the CRN for 'French Language I'. After that you just click on '**ADD TO CART**'

The screenshot shows a web form titled "Course Catalog". At the top is a button labeled "Browse Catalog" with a right-pointing chevron. Below this is a section labeled "Add by class number" which contains a text input field with the value "18744" and a blue button labeled "ADD TO CART".

Option (3): My Classes

Go to **Classes >> My Classes >> Scroll down to the end of the page >> REGISTER CLASSES**

The screenshot shows the "My Classes" page of a university system. The header includes the Qatar University logo, a menu icon, the title "My Classes", and a hamburger menu icon. The main content area lists two courses:

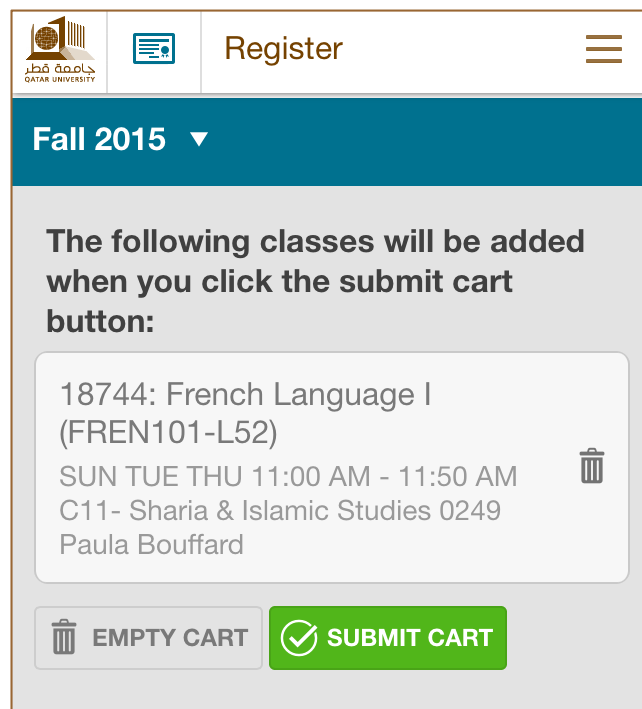

- 11734: General Phys for Engin II (PHYS193-L51)**
MON WED 09:30 AM - 10:50 AM
C01- Women's College of Sci. D217
THU 01:00 PM - 01:50 PM
C01- Women's College of Sci. B226
Ahmad Ibrahim Abdelra Ayesh
- 11741: Expmntl Gen Phys For Engin II (PHYS194-L53)**
THU 02:00 PM - 04:50 PM
C01- Women's College of Sci. A117

At the bottom of the page, there are two buttons: a grey button with a minus sign and the text "DROP CLASSES", and a blue button with a plus sign and the text "REGISTER CLASSES". A hand cursor icon is pointing at the "REGISTER CLASSES" button.

This will lead you to 'Registration page' and you go through either 'Option (1)' or 'Option (2)'.

Once you add to Cart. The Course will be available as shown in the figure below. You can add multiple courses to your cart and you can empty your cart as well by clicking on **'EMPTY CART'**.

Please note that adding a course to your cart doesn't mean that the course is registered. You have to click on 'SUBMIT CART' for the course to be added to your schedule.

The screenshot shows the registration interface of Qatar University. At the top, there is a header with the university logo, a menu icon, and the word "Register". Below the header, a blue bar indicates the semester "Fall 2015" with a dropdown arrow. The main content area has a grey background and contains the text: "The following classes will be added when you click the submit cart button:". Below this text, a white box displays the details of the added course: "18744: French Language I (FREN101-L52)", "SUN TUE THU 11:00 AM - 11:50 AM", "C11- Sharia & Islamic Studies 0249", and "Paula Bouffard". To the right of the course details is a trash icon. At the bottom of the interface, there are two buttons: "EMPTY CART" with a trash icon and "SUBMIT CART" with a green checkmark icon.

In the case a section is full; you can choose to add the class to a waiting list.

Let us add a class by its number (Option 2). CRN: 18993 is used for illustration.

We first click 'ADD TO CART'

Register

Go to **Classes >> My Classes >> Scroll down to the end of the page >> DROP CLASSES**

Check boxes will be available. Check the class you need to drop and scroll down to the end of the page

**Drop**

hazard & failure causes, fundamentals of investigation & analysis.

10913: Quality Management (IENG420-L51)
Introduction to the philosophy and application of Total Quality Management in the context of organizational and cultural change dedicated to the continuous improvement of products and services. Some of the ideas and topics covered are: international quality awards quality management systems (ISO 9000), benchmarking reengineering; teaching of Deming, Juran, and Crosby; management of change and implementation of TQM.

☒

13266: Project Engineering (IENG481-B51)
Introduction to project engineering, project lifecycle and feasibility studies. System approach covering requirements such as scope, time, cost, quality, resources and communication. Project planning & control, work breakdown and network scheduling tech-

☐

11741: Expmntl Gen Phys For Engin II (PHYS194-L53)
This is the Lab course covering the subject matter of PHYS 193. The course presents an introduction to the methods of experimental physics. Emphasis is on experimental, data analysis, and written presentation skills of lab work. During the course students execute a series of experiments on electrostatic fields, Magnetic fields, Induction, DC circuits, and AC circuits.

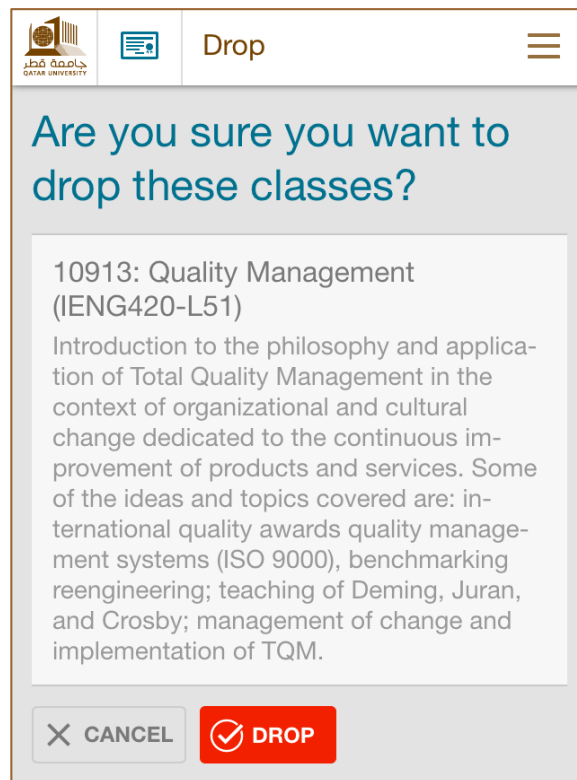

☐

 **CANCEL**

 **DROP**

When you click on '**DROP**', a confirmation message will appear to you.

By clicking on '**DROP**', the following figure will be shown to you.

Alternatively, users can open a specific class and scroll down to the end of the page and click **'DROP'** as shown below.

The screenshot shows a mobile application interface for Qatar University. At the top, there is a header bar with the university logo on the left, a menu icon in the center, and the word "Banner" on the right. Below the header, the interface is divided into several sections: "Credits" with the value "3", "Current Enrollment" with the value "26", and "Capacity" with the value "45". A section titled "Schedule" follows, containing the text "C07- Female Engineering Bldg. 0138" and "SUN TUE THU 11:00 AM - 11:50 AM", accompanied by a location pin icon. At the bottom of the screen, there is a button with a minus sign icon and the text "DROP", which is highlighted with a red rectangular border.

We note that wait-listed classes are dropped in the same manner.

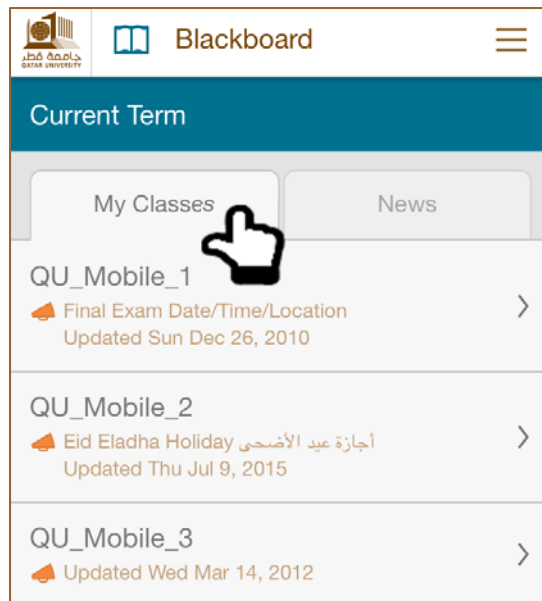

Student Records

- **Holds**
Holds on students may be viewed if any.
- **Academic Records**
You may view details such as program, level, college, major, academic standing, GPA and others
- **Grades**
You may view your term final grades once uploaded. You can check your grades for different terms by selecting on the required term. See below!
- **Account Balances**
You may view your account balance, term summary and other transactions.

Blackboard (Students and Faculty Only)

Log in information are required to access this module.

My Classes

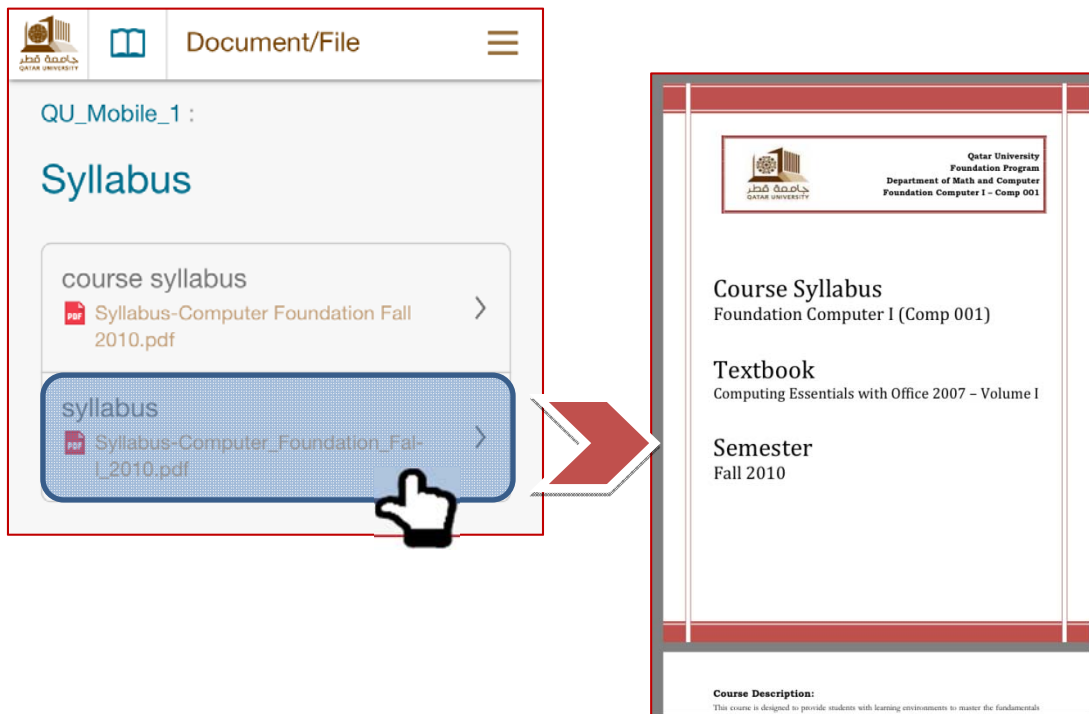

For each registered course, you will be able to view the course related:

- **Announcements**
- **Resources**

Course materials (projects, assignments, quizzes... etc.). You can view the number of items within each course resource. For example in the below figure we see that 2 items are included in the syllabus.

Now let us open item 2 in Syllabus. See the figures below.

➤ Grades

You can view detailed grading for exams, quizzes, homework and others.

News

You may view announcements by course or by date.

Notes on Banner and Blackboard Modules

- Any change in Banner or Blackboard will take 1 min to be updated in the mobile app.
- Refreshing the app can be done by swiping down the finger.

Catalog (Students Only)

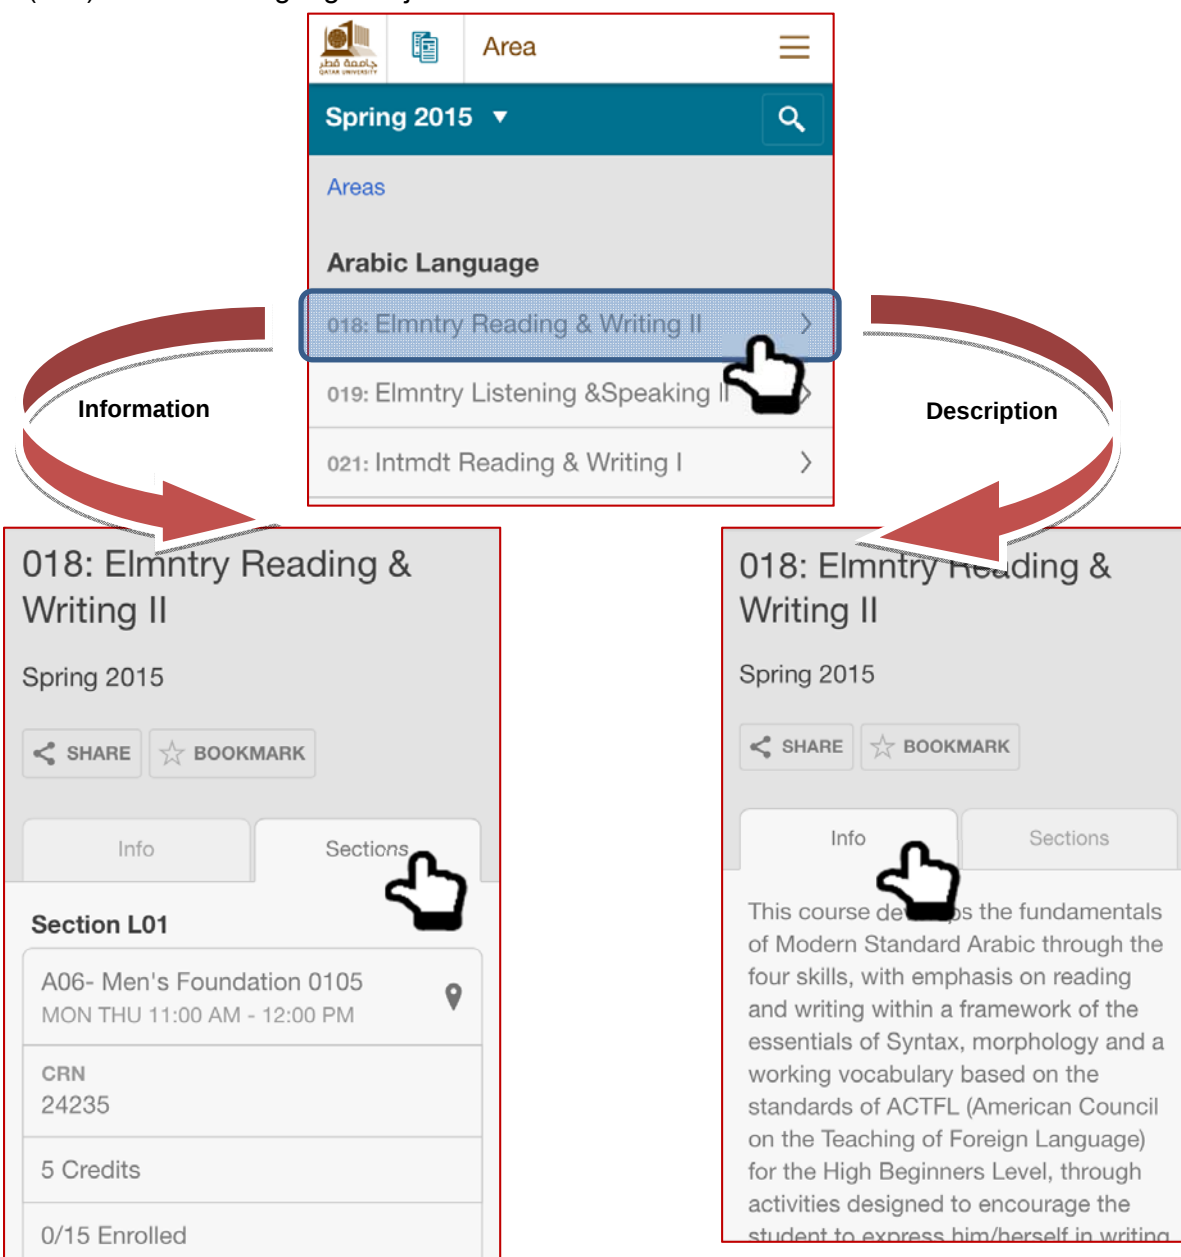

You will have the ability to check the courses offered under different majors and for different semesters. Courses are identified by codes (e.g. 018).

Upcoming Projects

Upcoming projects provide a list of QU initiated projects.

The library feature will assist you in searching and downloading books and articles from international journals.

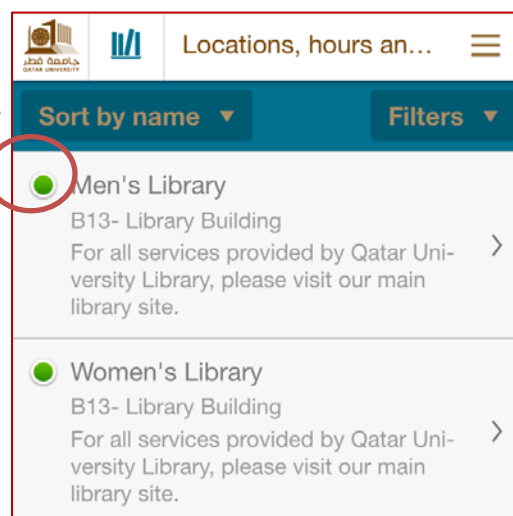

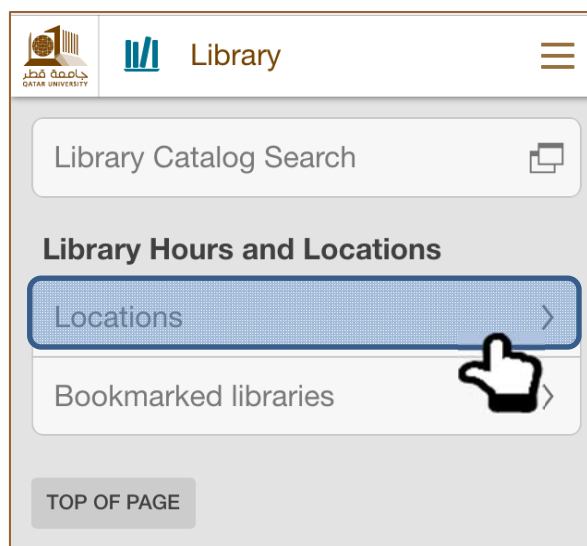

Library Hours and Locations

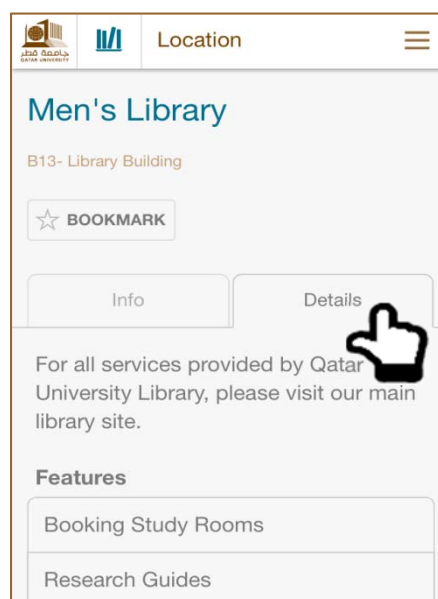

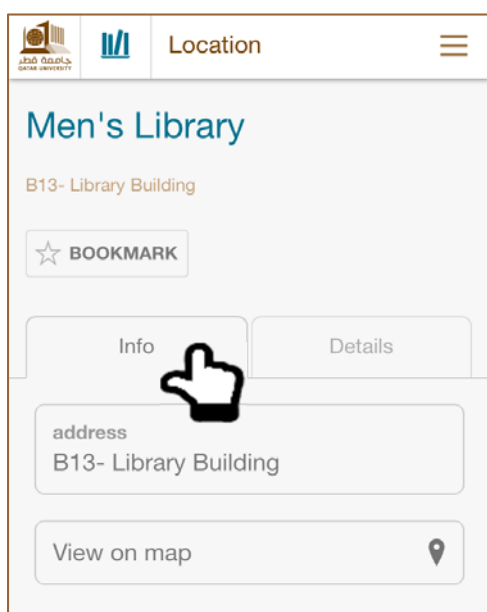

➤ Locations

In locations you can view information and locations of libraries at campus. (Male and Female). In the figure below we note that the presence of a green dot means a library is open. If not open, the dot color will turn to grey !

OPENED

By clicking on any of the libraries, you can view location on map by clicking on **Info**. Also you can view details such as what services are provided in the library by clicking on **Details**.

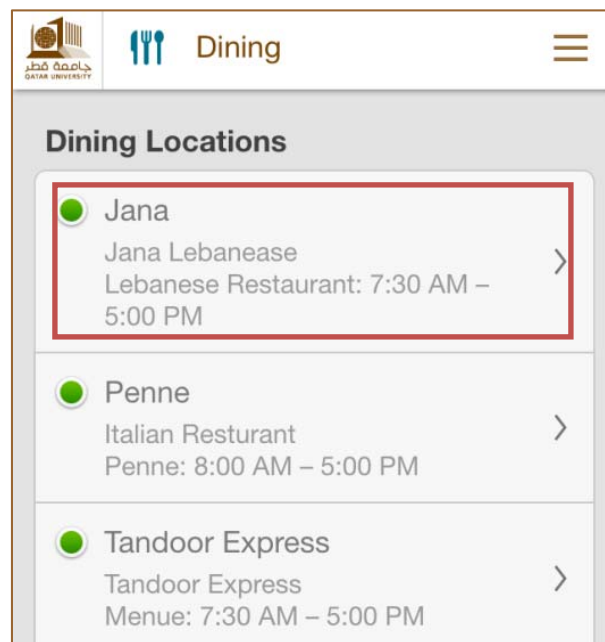

Note: For all official university holidays the library will send broadcast to inform the students/faculty about the operating hours.

But for the regular working days during the semester the timing is fixed.

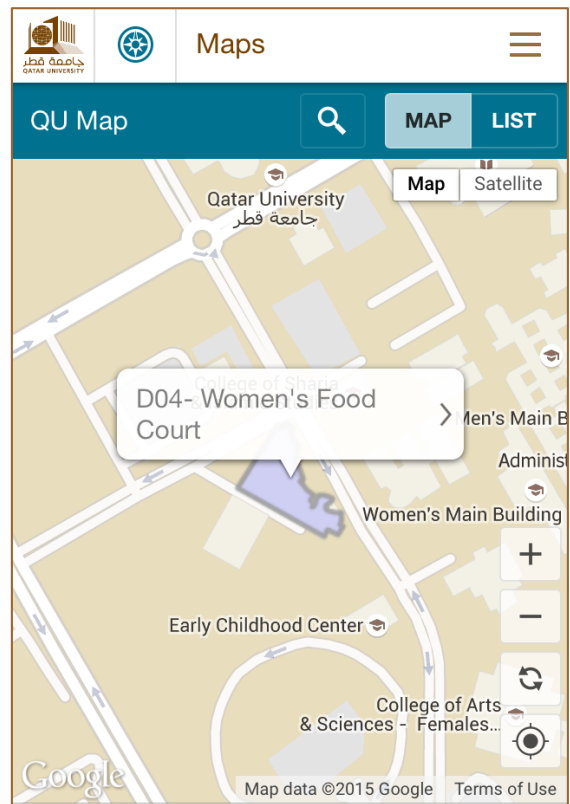

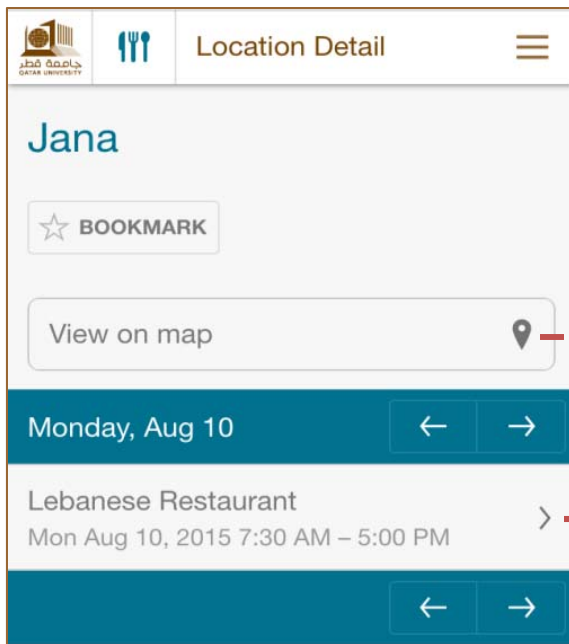

Dining

You will have the list of Cafeterias and dining area at campus. When you choose your preferred destination, you can view information like working hours and the destination location. It is worthy to mention that a **green** dot means a restaurant is opened. If not the dot will turn to **gray**!

OPENED

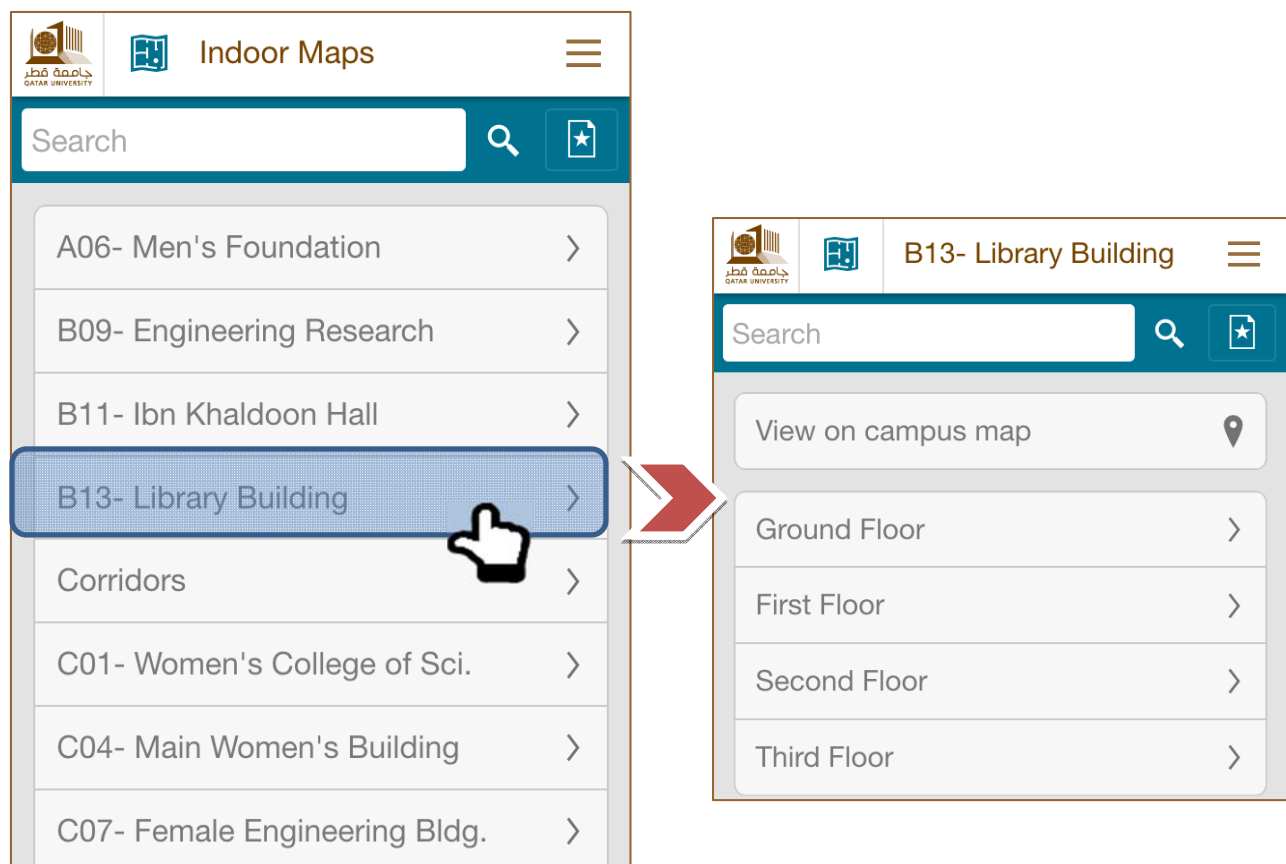

Below is a representation of how to view the location on the map and the menu list in Jana Lebanese Restaurant...

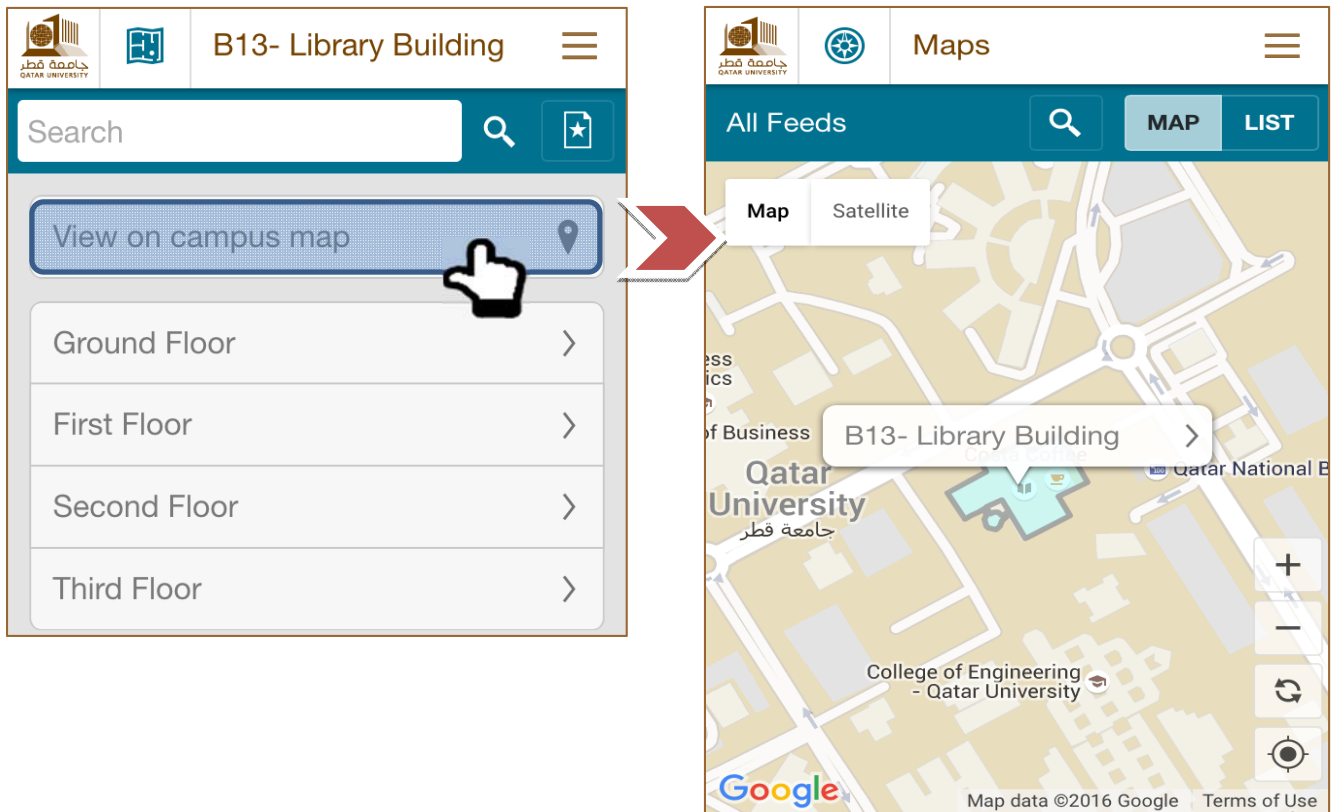

Indoor Maps

Indoor maps are available on QU mobile. Students are able to navigate virtually through various buildings indoor maps. This makes it easier for students to reach their points of interest in less time. Once you click on Indoor Maps icon on your mobile, you will have the list of buildings for which you can view the floor plans and their layouts that have different points marked with illustrative icons (classrooms, restrooms, photocopying services, i.e).

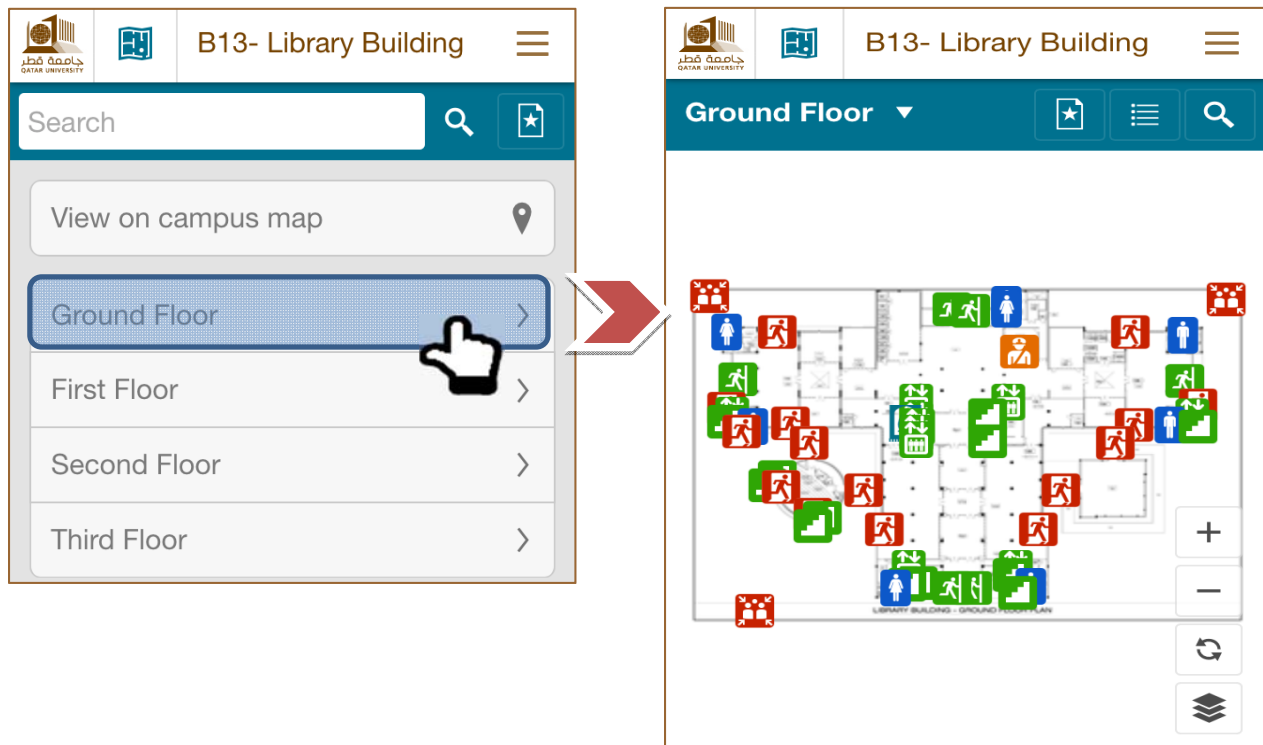

Let us view the indoor maps available in the library building (B13). The figures below show that library building has three floors + Ground floor.

You can view the building on QU map as below.

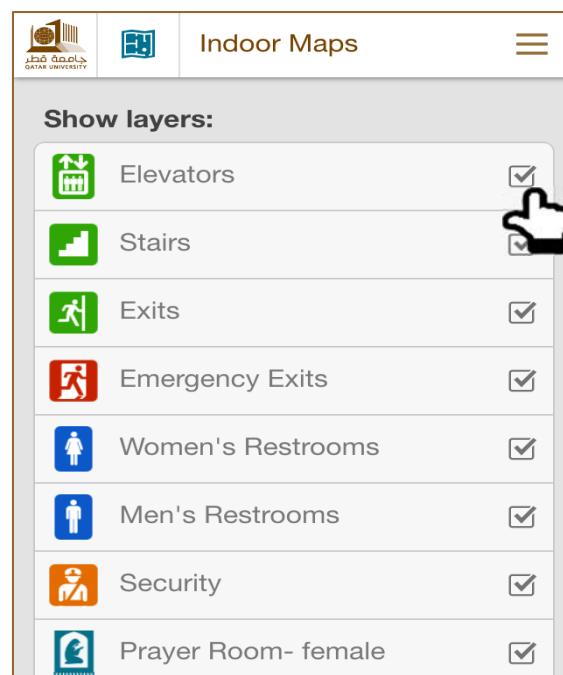

Let us now view the Ground floor layout of the library building. We can see from the figures below that the points of interest are characterized by a representative icon.

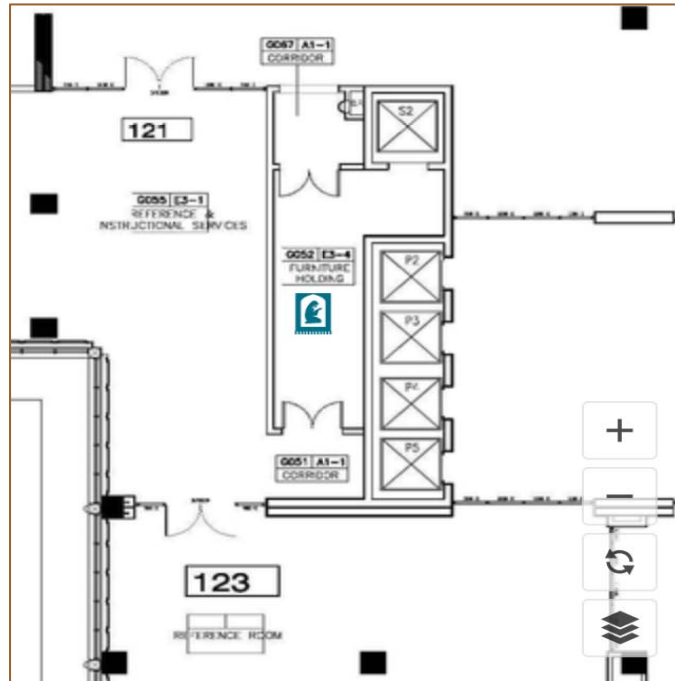

You can resize the floor plan by clicking on (+) or (-). Be aware that increasing the size of the plan will not impact the quality of the photo. By clicking on the following icon , you will

be able to show only your points of interest on the plan. You can do so by unchecking the unneeded points.

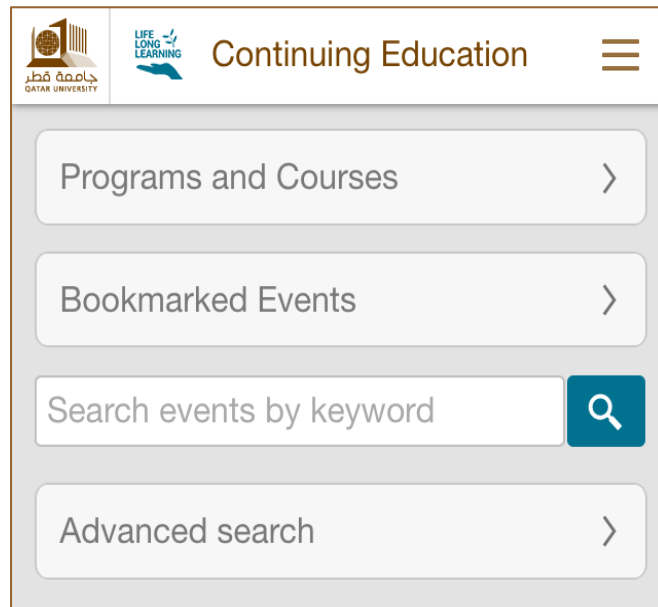

For example we would like to show only Prayer Room for female. Then we uncheck all other points and the result on the plan will be the following.

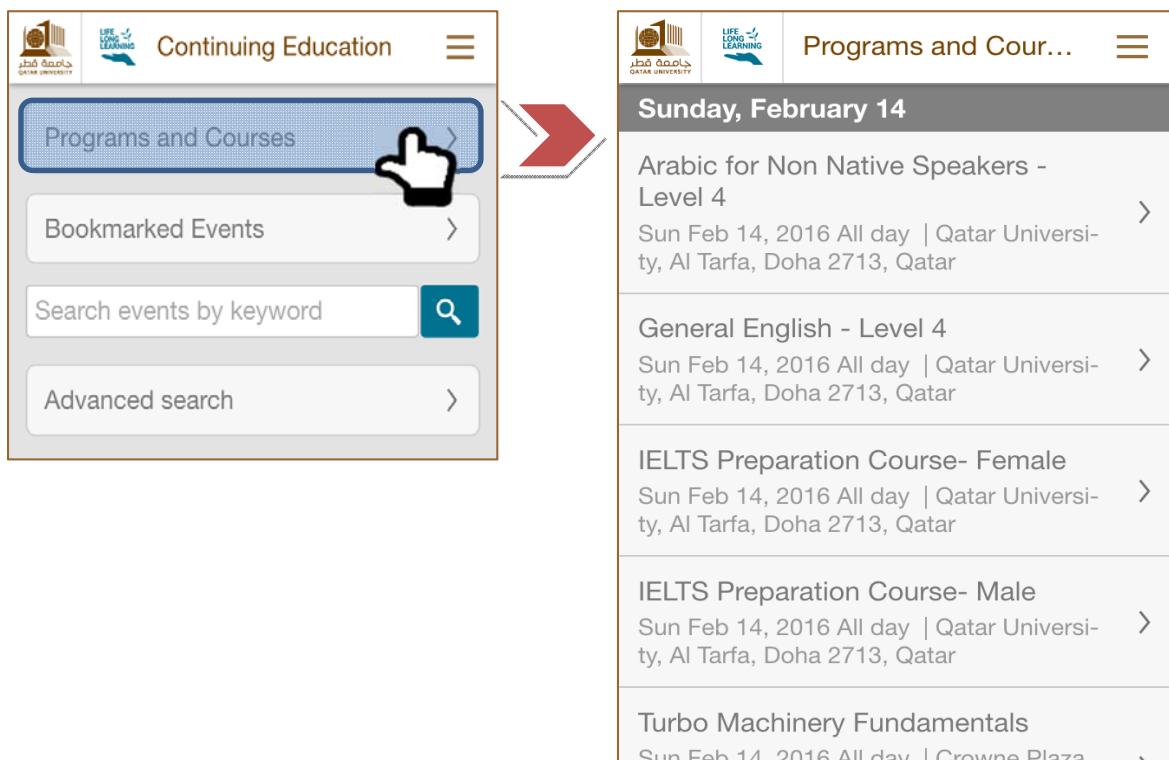

Continuing Education

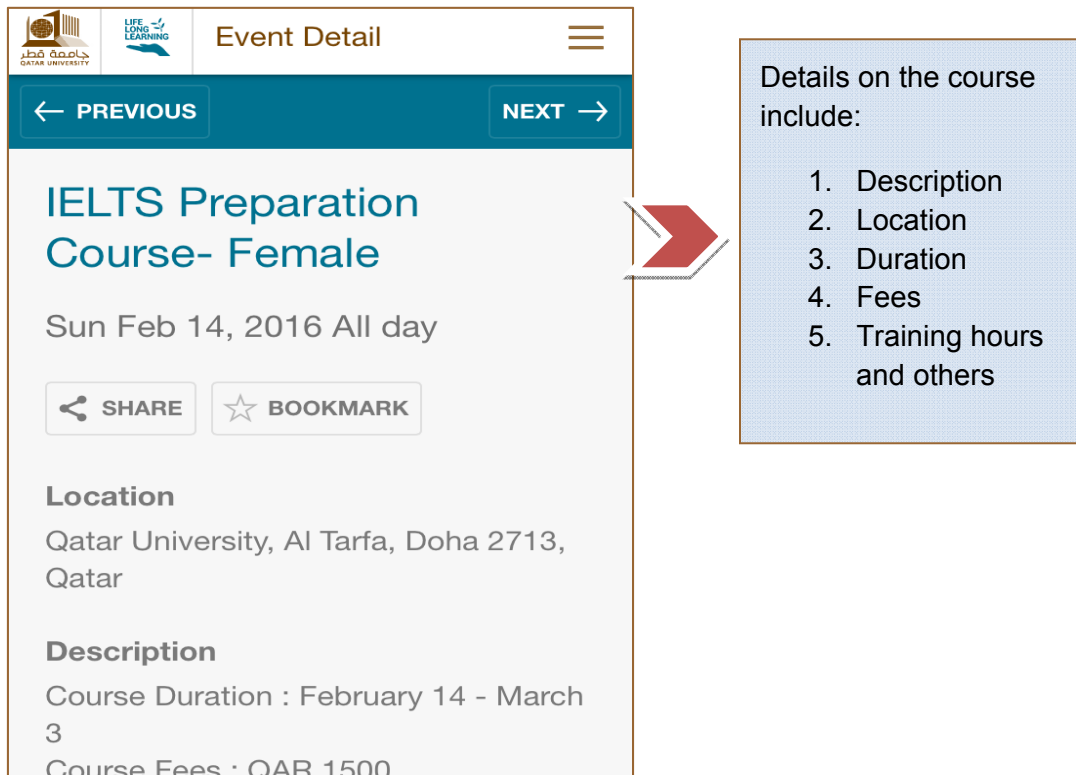

Continuing education module will allow users to view the available courses that are offered by the continuing education section at Qatar University. If you click on the icon, the following page will be available to you.

When you click on programs and courses, the list of available courses will be displayed.

Let us select IELTS Preparation Course for female; we can then view details about the course as following.
