Similarity Index Approval Form

Student's Name: **QU ID:**

Degree: **Degree Program:**

Academic College: **Manuscript Title:**

By signing this form, I am certifying that the version I submitted is the final copy as approved by my advisory committee, has been analyzed by appropriate plagiarism detection software, and all published material in this dissertation/ thesis has the appropriate copyright permissions to be reproduced and appear in the appendix. Furthermore, if IRB, animal, or hazardous material approval were required for this research, copies of the approval are included in the appendix. I hereby grant to Qatar University the non-exclusive license to archive and make accessible this thesis or dissertation in whole or in part in all forms of media, now or hereafter known. I retain all other ownership rights to the copyright of the thesis or dissertation. I also retain the right to use in future works (such as articles or books) all or part of the thesis or dissertation.

REQUIRED RELEASE AGREEMENT

The document is submitted electronically and archived under the release option noted on this form when the PDF file is uploaded. If a restriction has been noted, electronic publication of the document will be delayed for one year from the date of final approval by the Office of Graduate Studies.

Select One Option: Immediate Worldwide Publication Access   Embargo for six months (renewabble for up to 1 year)

If you requested an Embargo, provide your justification here

MANUSCRIPT APPROVAL

The aforementioned manuscript has been reviewed and approved to meet the thesis or dissertation requirement by the student's supervisory committee. The undersigned agree to abide by the statements above, and confirm that this Similarity Index Approval form serves as confirmation that the thesis/dissertation defense has been successfully completed and that the thesis or dissertation, including the Abstract and its translation, is approved and ready for submission to the Office of Graduate Studies.

SUPERVISORY COMMITTEE'S CONTENT ANALYSIS

By signing below, Committee Chair confirms the analysis report generated from running the thesis/dissertation through plagiarism-detection software (check appropriate)

                TurnItIn;   iThenticate;   Safe Assignment;   Other;

and believes, based on that analysis as well as the limitations inherent in such detection software, that this thesis/dissertation is not plagiarized. The first page of the generated report must be attached; check here   if parts of the document have previously been published.
