High School Requirements

All applicants to Qatar University must complete a minimum of 12 years of formal education and their transcript results must be certified by the appropriate educational agency. The high school grade requirements mentioned in this section are minimum scores, they do not guarantee admission. Admission to Qatar University is extremely competitive and satisfying the minimum academic requirements does not guarantee admission according to the strength of the applicant pool and the available capacity within each college and major.

Qatari Secondary School Certificate

- All applicants to Qatar University must complete a minimum 12 years of formal education.
- Transcript results must be certified by the appropriate educational agency.
- Achieve minimum required scores for admission.

Grade Point Average (GPA) System

- Awarded a High School Diploma in a General Studies Curriculum with a minimum cumulative GPA of 2.00 on a 4.00 scale (C) and satisfies the minimum high school percentage requirement during the final year of high school.
- Passed at least six different subjects including at least one science (biology, physics, chemistry), one mathematics (algebra, trigonometry, geometry), and one English language course during the junior or senior year.

British Secondary School System

- Earned at least five IGSCCE (O Level) subjects with a minimum grade of "D" and a minimum of two subjects at the Advanced (A) or (AS) level or a combination of (A) and (AS) level subjects with a minimum grade of "D."

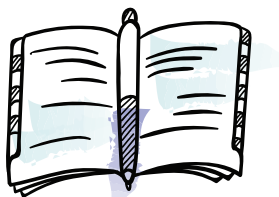

International Baccalaureate (IB) System

- Completion of the full IB Diploma with at least two subjects at the HL and the other four subjects at SL level.
- The student should have attained a total grade point score of 24 out 42, excluding grades for Theory of Knowledge (TOK) and Extended Essay.

High School Applicants Checklist

1. Complete Online Admissions Application with an e-payment of QR 200.
2. Final, official and certified high school transcript*.
3. Health certificate issued inside Qatar (International students please refer to the International Students website).
4. Photocopy of the applicant's Qatar ID card (Non-Qatari applicants must also provide a copy of their passport; international students please refer to the International Students website).
5. Two (2) recent identical passport size photographs (size 4 x 6 cm) with white background.
6. Official test score reports for applicants to colleges that require Foundation Program (if available) to be submitted to the Foundation Program Testing Center in order to be exempted from the Foundation Program.

*As official results for the British Secondary School system (IGCSE, AS, and A-Level results) and the International Baccalaureate (IB) system will be released after QU has announced admission decisions, in-progress applicants from these two school systems will be considered for Provisional Admission based on predicted grades.

High School Percentage Exception

All applicants who do not satisfy the initial high school percentage requirements listed above may still apply to the college and major of their choice by completing 12 years of formal education and satisfying the minimum competency requirements based on the college they apply to as follows:

Applicants to the Colleges of Arts, Business and Economics, Education, Law and Sharia:

Mathematics

- A minimum score of 24 in ACT Math OR
- A minimum score of 550 in SAT (General Math Component- old version) OR
- A minimum score of 570 in SAT (General Math component- new version)

Applicants to the Colleges of Engineering, Dental Medicine, Medicine, Pharmacy, Science and Health Sciences:
